

Alight Night presents . . . “Ignite The Fire”

With certified sex therapist
Tom Murray, PH.D, AASECT

Join us for an evening dedicated to sex and intimacy after a cancer diagnosis. Discover tips for managing the effects of treatment on sexual health, improving communication, and what’s important about maintaining a connection with your partner.

- What does sexuality and intimacy mean? How is this different for men and women?
- How can I communicate better with my partner?
- What side effects of cancer treatment affect intimacy?

Get the spark you need to ignite the flame
for a happier, healthier relationship!

Thursday, February 15, Cone Health Cancer Center, Armfield Auditorium
Refreshments 6:30 pm, presentation at 7:00 pm

Admission is **Free** but registration is required by emailing
